8 EXPLANATION

9 This bill restricts the state board of education from adding
10 to the special accredited list of college preparatory schools
11 after the effective date of the bill.

12 Currently, a private high school or private combined
13 junior-senior high school that exists to qualify its graduates
14 for matriculation at accredited four-year colleges or
15 universities is placed on a special accredited list of college
16 preparatory schools by the state board and is exempt from the
17 educational standards for accreditation specified in Code
18 section 256.11, subsections 1 through 12. The schools on the
19 list must comply with minimum standards established in statute
20 and administrative rules applicable to courses comprising the
21 limited program, health requirements for personnel, plant
22 facilities, and other environmental factors affecting the
23 programs; and at least 80 percent of those graduating from the
24 school within the four most recent calendar years, with few
25 exceptions, must have been accepted by accredited four-year
26 colleges or universities.

27 Under the bill, only schools placed on the list on or before
28 the effective date of the bill, that continue to meet the
29 criteria established in the Code, may remain on the list after
30 that date.

31 The bill takes effect upon enactment, which is generally the
32 date of approval by the governor.
